

Uncover 40% In Telecom Savings... In 30 Minutes Or Less

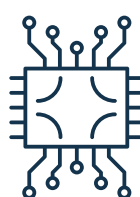

HOW IT WORKS

1. PROVIDE AN EXCEL LIST OF YOUR LOCATIONS

6 MINUTES

2. PROVIDE THE PREFERRED AVERAGE SPECIFICATIONS OF EACH LOCATION

i.e. 2 POTS, 1 circuit at 50M/10M minimum speed

4 MINUTES

3. PROVIDE 1 MONTH OF CARRIER INVOICES

Or we can pull them for you! Provide read-only portal access and we can gather your invoices and save you time.

4-12 MINUTES

4. UPLOAD DATA TO OUR SECURE SHAREFILE SITE

6 MINUTES

YOU'RE DONE!

WE TAKE IT FROM HERE

A dedicated expert from our team will review the identified areas for cost savings with you during a 15 minute call. You will receive a report file to take home!
